23 SEP 1963

MEMORANDUM FOR: Chief, Security Staff, Office of Special Activities

SUBJECT: OXCART Clearances [ ]

1. [ ] called about noon today to relay to us [ ] request that [ ] be cleared for Project OXCART. George explained that [ ] is Mr. Gordon Bain's Senior Representative on the West Coast, in residence in Los Angeles. Gordon Bain, as you know, is FAA's Supersonic Transport Project Officer. George explained that [ ] would like to have [ ] knowledgeable of OXCART technology in order that he might be in a better position to evaluate SST proposals. It is not intended that he impart any of the knowledge he gains to SST bidders.

2. [ ] asked specifically if we could clear [ ] in time for him to accompany [ ] to a meeting with Kelly Johnson on 26 September 1963 at Lockheed. [ ] has already determined that [ ] holds a Top Secret clearance. It is requested that he be processed for an OXCART clearance and that we make arrangements for a suitable OXCART Security briefing for him on the West Coast. Please advise [ ] directly when this action is completed.
